

Thank you for inquiring about our **Barrel Room** or **Patio Bar**.

Our private Barrel room has **two different reservation options** depending on what your group is looking for. Each option provides seating for approximately 60 guests with additional room for guests standing. When booking the room you are offered private use of the Barrel Room for your desired length of time. We have extra tables that can also be set up for additional needs such as food, presents, etc. You are welcome to bring in decorations and decorate the room if desired. This room also has access to two private restrooms as well.

Option 1: If you are looking to reserve our private Barrel Room, the rate is \$200 for your desired length of time. Your guests will have to get their beer from the main bar in the tasting room. For this rate, the restrooms in this room will be accessible to people outside of your party if overflow restrooms are needed.

Option 2: If you would like to reserve the Barrel Room and use the bar within that room, we offer a private server, and you get the option of picking up to 8 beers to have served from your private bar for \$500. (**beer sales not included in this price**). We also have hurricane candle center pieces that we can provide to decorate the tables if desired. The great option with this rental is that your guest essentially never have to leave the room unless they want a beer not offered from your selection.

### **Patio Bar:**

\$500 for desired length of time out on our patio with a private bar/server(s). You will be allocated a private section of the back patio near the outside bar. Seating consists of 12 picnic tables, barrels and additional room for standing guests. This space can seat 72-96 guests and can comfortably accommodate 100+ people. Guests can of course use other parts of the facility.

You are provided a private server and have the option of picking up to 6 beers to have tapped (beer sales not included in price).

Restrooms with this option are located inside the main tasting room.

Two plastic folding tables (6'X3') can be provided for food or gifts upon request. We can also provide a black table cover for each of the folding tables if requested.

### **Beer tabs/sales:**

Option 1: You guests are responsible for their own tab.

Option 2: You provide a credit card which will open up a tab under your name. We can provide you with tickets which you can hand out to your guests. You set the limit depending on the amount of tickets you provide to each guest. When a ticket is presented, the ordered item will be applied to your tab. Once your guests use their allotted tickets, they are then responsible for buying their own beverage.

Option 3: You provide your guests an open bar by. Your guests have the option of purchasing any number of drinks which are applied to your tab. You also have the option of placing a cap on the tab if desired.

Beer ranges in price from \$4-7 depending on beer style. The average is \$6 a pint.

Many people ask if they can bring wine in for their party. Due to our type of liquor licensing, no outside alcohol is allowed to be consumed on premise.

### **Food/Drinks:**

If you want to provide food during your event, you have the option of using a caterer, bringing in your own food or using the food truck scheduled for that evening. With enough notice, I may be able to schedule a food truck of your choice.
